

Spring 2024

Hello Ardmore Ladies,

We are excited to share with you that we have secured four Interclub matches! The clubs we will be playing against are: **Olympic View, Cedar Hill, Salt Spring and Cordova Bay!**

We hope you will contemplate joining in this friendly fun 36 hole competition! One match is played at Ardmore and one is played at our competitor's home course.

Eight Ardmore Ladies of any handicap level will compete in two 18 hole Match Play on handicap competitions against 8 Ladies from another club.

The team will be divided into four twosomes with two of our members competing against two members from the opposing team. The foursome will optimistically have similar handicaps and the strokes given are based on the lowest handicapper in the foursome.

The winning team of each hole is awarded 1 point for their club while a tie is ½ a point for each team. Club points are totaled over the two matches to determine the overall winning club.

Watch for the Signup Sheet! The first will be posted close to our next Ladies Day! The subsequent sheets will be posted closer to the dates of play... Ideally, players should be available for both matches.

Please note when entries are oversubscribed participants will be determined by using the best net scores from each player's most recent Tuesday Game.

Green fees are the responsibility of the player unless an arrangement has been made with the other clubs. Power carts are an extra charge.

If you are unsure of the Interclub Match Play rules please reach out. There are many resources available to you!

We look forward to playing with you.

Warm regards,

Chris Abbott and Ursula Mjolsness
Interclub Coordinators
