

Ardmore Ladies' Club Information Notice #1 — March 2, 2026

Welcome to the 2026 Season

Hello everyone,

The 2026 executive is delighted to welcome back all returning members and greet our new members as we begin the Ardmore Ladies' Golf Club 2026 season!

Club Divisions and Weekly Play

The rosters for both the 9 Hole and 18 Hole Divisions are now full. With the addition of more new members this year, the club will be using shotgun starts each week. Occasionally, during certain tournaments or special games, tee times may be implemented.

Opening Day Details

Our Opening Day will commence with a meeting in the clubhouse on **Tuesday, March 31** at 8:00 am. Following the meeting, there will be a shotgun start at 8:30 am. A & B groups on the tee boxes will be created by the vice-captains using the names on the sign-up links. The Social Committee will provide coffee, tea, and snacks to help everyone start the day off. Special thanks to Kathy Laursen, Toni Cole, and Sandra Mills for their contributions!

Club Communication

As outlined in the Fixture List, Ardmore Ladies' Golf Club is an active organization. Morning meetings will be held throughout the summer to share information in person. Additionally, regular emails will be sent with notices and weekly winners of games, KP, and other events. All information will also be available on the Ardmore Ladies' Club website.

Executive Team and Vice-Captains

This year, we are pleased to have two new vice-captains: Lori Chestnut for the 18 Hole Division and Nell Geddes for the 9 Hole Division. Their responsibilities include accepting new member registrations, managing the waitlist, creating weekly tee sheets, and filling in for the captain when needed.

Soon, Lori and Nell will share weekly sign-up instructions for using google sheets and links and help new members as needed.

The executive team also includes Alison Byers (Handicaps, 18 Hole Division), Susan Rand (Handicaps, 9 Hole Division), and Jan Pelton (Rules). Donna Costin serves as both Secretary and Treasurer ardmoregolf@outlook.com.

Food and Beverage Service

Beginning March 23, Ardmore Golf Course will resume food service under the new leadership of Chef Bruno. The hours of operation will be from 10:30 am to 7:30 pm. The executive encourages everyone to support the club's food and beverage offerings throughout the season.

There will be further information to follow as Opening Day approaches.
