Scorecards:

All scorecards should include Gross, Handicap, Net and Putts, unless otherwise directed.

Maximum 3 players per Scorecard. 4 players will use 2 Scorecards.

Please put your completed, tidy, readable, dated, signed, and attested Scorecard in the grey box under the computer before you leave on Tuesday.

Please indicate any Chip-in or Birdie on the Scorecard.

Weekly Winners & Points:

One Point will be awarded to the weekly winner for Gross, Net and Lowest Putts in each Division.

Two Points will be awarded for every Chip-in and Birdie. Please ensure this is recorded on your Scorecard.

At the end of the season, the points will be converted into a dollar value. The money won will be handed out on the final Ladies Day of the season.

Closest to the Pin (KP):

There will be a KP almost every week and it will alternate between Hole #5 and Hole #14, depending on what the 9 Hole Players are playing that week. No need to sign up or pay to participate.

Record your distance on the KP maker if you are the closest to the pin so far in the round.

Winner will receive \$15 the following Tuesday.

If no one makes the green, the prize money will NOT carry over.

Handicaps:

Handicaps are required and marked on your Scorecard. If you don't have a Handicap, please use 33 until you get one.

Once we start playing off the Tee Boxes, all rounds played should be posted into the Golf Canada Handicap System unless the round does not meet the required number of holes played.

Use the Match Play Format when playing Match Play or Interclub Matches.

When playing 9 Holes, please halve your handicap.
