

# Ardmore Ladies Club Information Notice #1

Hello to all our returning and new members! The Ladies Club 2025 season will soon start and there is some important information to share with you before the season starts.

First off, we will not be able to play a Shotgun start each week. We do not have enough Ladies Club members that golf 18 holes, thus leaving the course half empty for the back nine on Tuesdays. This is not a sustainable option for the Ardmore Golf Course. During the season there will be several Shotgun starts, when we have tournaments and special events, including our opening round on March 25th. Tee times for the Shotgun starts will be either at 8:30 (all golfers) or 8:30 (18 Hole Golfers) & 10:00 (9 Hole golfers) for tournaments. Tee times for regular rounds will start at 8:00 for 18 hole golfers and around 8:45 for 9 hole golfers depending on how many ladies are playing that Tuesday. We will have a Ladies Club meeting either before or after our round when we have a Shotgun start, depending when we all start or finish at the same time.

Please note, the start time for tee-offs for regular golf may change if the Ardmore Golf Course gets an exemption from the Noise Bylaw and the grounds crew can begin working before 7:00 as it stands right now. We may be able to start before 8:00 for regular golf. This will help with the turn time if we have a full field of golfers.

As we won't be having weekly meetings, Information Notices, such as this one will be sent out when required. A Winners List will be sent out on a weekly basis. These notices and lists will be posted on the Ardmore Ladies Club website.

Information on how to sign up for Tuesday golf and the Draw and Tee Sheet will be sent out on a separate Information Notice in the near future.

There have been a couple of significant changes on the course and in the clubhouse.

If you have been playing at Ardmore recently, you will have noticed that there have been new forward tee boxes installed on several holes. Gone are the red and white tee boxes, there will now be Black (longest tee to green), Gold (middle) and Silver (closest tee to green) tee boxes. Each week, a tee box(s) will be selected to play from and noted on the Tee Sheet. The KP hole will be selected on the par 3 hole where both the 9 and 18 hole players will have played from. The new tee boxes will not be in play until late spring. New scorecards will be available soon. Attached is a picture of the new card.

These new scorecards will be used for all Ladies Day rounds including stroke play, match play, Interclub and PAR rounds, as the new card has been updated to reflect new Par

Ratings for each hole.

The Ardmore Golf Course will be offering food service again this year with a change in the service provider. The Ardmore Golf Course will now be providing the food & beverage service, the start date for the food service is April 1st. A chef has been hired and Ardmore clubhouse staff will take your food and drink orders. Drinks will continue to be self-serve and food orders will be taken at the bar. Food will be delivered to your table when ready. We hope you take advantage of this, we want food service to continue to be available at Ardmore.

If you have any issue, concerns or suggestions you would like us to look into or clarify, please let us know.

We are excited about the upcoming 2025 Ardmore Ladies Club season and look forward to connecting with old friends and meeting our new members!

Kathy Pringle & Terry Willow  
 Captain & Vice Captain
